To access Bilgi Academic Search Engine (BASE) and e-Books off campus

click the "Articles & More" tab at <http://library.bilgi.edu.tr> and click "Off Campus Access" button below the search box

The screenshot displays the Bilgi University library website. At the top left, the logo for Istanbul Bilgi University is shown, along with the text "LAUREATE INTERNATIONAL UNIVERSITIES". To the right, the text "library & e-resources" is displayed. In the top right corner, there are two buttons: "TÜRKÇE" and "BİLGİ Home". Below the header is a navigation bar with several tabs: "Articles & More", "Catalog", "e-Books", "e-Journals", "Course Reserve", "Databases", "Open Access", and "Research Guides". The "Articles & More" tab is highlighted with a red circle. Below the navigation bar is a search section titled "Bilgi Academic Search Engine (BASE)*". It features a search input field and a "Search" button. Below the search field are two buttons: "Advanced Search" and "Off Campus Access", with the latter highlighted by a red circle. Below the search section is a note: "* Click here for the resources which are not included in Bilgi Academic Search Engine (BASE)". At the bottom of the page, there is a banner for "Library Hours Extended During Final Exams" with a "click for more details" link. To the right of the banner is a sidebar with three links: "My Account", "Off Campus Access", and "Ask a Librarian".

To access e-Journals off campus

click the "e-Journals" tab at <http://library.bilgi.edu.tr> and click "Off Campus Access" button below the search box.

The screenshot displays the Istanbul Bilgi University library & e-resources website. The header includes the university logo, the text "Istanbul Bilgi University LAUREATE INTERNATIONAL UNIVERSITIES", and the site title "library & e-resources". There are language options for "TÜRKÇE" and "BİLGİ Home". A navigation bar contains links for "Articles & More", "Catalog", "e-Books", "e-Journals", "Course Reserve", "Databases", "Open Access", and "Research Guides". The "e-Journals" link is circled in red. Below the navigation bar, the "e-Journals" section features a search bar with a "Search" button, a "Browse by title" section with letters A-Z, and two buttons: "Advanced Search" and "Off Campus Access", with the latter also circled in red. At the bottom left, there is a large image of a modern library interior with bookshelves and a staircase. On the right side, there is a vertical menu with three items: "My Account", "Off Campus Access", and "Ask a Librarian".

Warning:
All Bilgi members are required to visit the Library and fill in the registration form in person, before using the library for the first time. Online registration is not available. As an exception, e-MBA students are registered automatically.

Campus Account:
You may access to your **Campus Account** with SIS login username (name.surname) and password.

If you forgot your password:

[Request password reset link with an alternate email.](#)

What is PIN?
PIN is a unique code that only you know and is used to verify your identity when accessing to your library record. PIN can be any string of letters and numbers, up to 30 characters in length. It is stored in encrypted form in your record; thus nobody may decrypt or read it back. You can change it any time using "View Your Record" function. Please do not use your University ID number as PIN.

If you don't have a PIN:
Just leave it empty. You'll be asked to key in a new PIN in the next page. Choose yourself a PIN code and when asked, enter it twice.

If you forgot your PIN:
Click on the [Forgot your PIN?](#) link and follow the instructions. A reset link will be sent to your email address. Alternatively, you might apply to the circulation desk personally to ask library staff to delete the old PIN from your record, which enables you to issue a new PIN.

Second option is, accessing to e-resources off campus by creating a library password. Write your name to «name», write your student/staff ID number to «Student/Staff No» and click on submit. It will ask you to create a library pin, and write it twice then you can access to your e-resource you would like to research.
