You may access to the Bilgi Library home page at http://library.bilgi.edu.tr or you may go to the Bilgi University home page first, then click library button.
Click «e-books» tab on library home page.
Select Ebrary Academic Complete on list of e-books. If you’re off-campus, first of all, click ‘off campus access’ on the right side of the database name and then enter your user information.
Click ‘log in’ on the right upper corner on the opening page.
Click "create an account" on the opening page.
Fill out the necessary information and click "create account"
Log in with your user name and password that you created.
Start searching with simple or advanced search on homepage. Select the title of the book you would like to download from the results.
You may read the book online by selecting "read online", or open the section you want to view in the table of contents. You may download the e-book by clicking the download button.
There will be 2 more options before clicking "download"
First choose your device

1. What device are you using?

- Laptop Desktop
- iOS (iPad, iPhone, iPod)
- Android (Phone, Tablet)
- Other

- I'm using my own computer
- I'm using a public computer

Continue
Second, you'll be given information about the program for viewing the e-book. To be able to read the e-book, download the program by following the instructions and open the program.

2. Install

You will need Adobe Digital Editions

Adobe Digital Editions is required to download books. This free software is different from Adobe Reader.

A free Adobe ID is also required to transfer the book to another device. It is not required to read books on this computer.

Get Adobe Digital Editions

Done with this step ›
Finally, when you click "download", e-book will be downloaded to your device. When you open the downloaded file, e-book will open with appropriate program. Downloading an e-book means; you borrowed the book online. On the return date it will be removed from your account automatically.
Select "Chapter Download" if you need a certain chapter. In this way you can download pdf file permanently. Go to the chapter you would like to download from table of contents.
After opening the chapter you would like to download online, click Chapter Download from the top menu of the page. You can download the page range that you want as pdf with a certain page limit.
